Location

University College of Enterprice and Administration

Lublin

|2021-2025|

Location

College of Radio Electronics (In the field of «Computer Engineering»)

Dnipro

GPA: 10.3/12

WORK EXPERIENCE

- After completing courses on Udemy, I have several example websites where I developed functionality. Working with hooks, and so on.
- I have several websites that I have written from scratch using HTML, CSS, and JS (REACT.JS), where I demonstrate my coding skills.
- (Separately from the topic) I worked as a Polish tutor for several years.

SKILLS & ADVATAGES

Skills:

HTML/CSS(SASS)

JavaScript (React.js)

Git

Bootstrap

Polish language C1

English language A2 (Active continuation of learning)

Advantages:

I'm not the candidate who will spin tales in this section, like «Not toxic, communicative, friendly». My goal is to find a team where I can gain work experience in the company and continue to develop.
